The Department of Agriculture (USDA) purchased Bulk apples for Further processing as indicated below for distribution to the National School Lunch Program (NSLP) and other Federal Food and Nutrition Assistance Programs for Fiscal Year 2026.

The purchase is the result of offers received in response to Solicitation No. 2000011130 dated January 8, 2026.

Bulk Apples for Further Processing products were purchased on a F.O.B destination basis. Deliveries are to be made between April 1, 2026 – June 30, 2026.

Further information can be obtained from the website at http://www.ams.usda.gov/selling-food. Cumulative purchase data can be found at: http://www.ams.usda.gov/reports/purchase-summary-report.
